

# **POLICY**

**Subject: Public Participation at Committee Meetings**

**Adopted: February 21, 2000**

**Amended: July 12, 2022**

In order to minimize and avoid disruptions and expedite the committee's business, **public comment or discussion by anyone not appointed to the committee shall not be permitted.**

Committee decisions are merely advisory and only capable of making recommendations to the Library Board. Final decisions on all matters of Library business are reserved to the full Board during a posted regular or special Library Board Meeting.
